### Conditions for Geocache Placement

- Geocaching is considered an acceptable outdoor recreational activity for most Milwaukee County Parks properties. Geocache placement restrictions are outlined in the document "GEOCACHING GUIDELINES," which can be found at ([www.countyparks.com](http://www.countyparks.com)). As always, the placement of a geocache shall conform to all applicable Milwaukee County ordinances.
- Under no circumstances shall a geocache be placed on Milwaukee County Parks' property without prior written permission from the Milwaukee County Parks land manager (this form).
- Geocaching is not allowed in the Wisconsin State Natural Areas within Milwaukee County. Current State Natural Areas within Milwaukee County include the Wernimont Park fens (along the Lake Michigan bluff), the Cudahy Nature Preserve, and the Franklin Park Savanna.
- A geocache shall not be placed in areas that the Milwaukee County Parks' land manager determines cannot tolerate human traffic or disturbance to the flora or soil. Such areas include, but are not limited to, stream bank zones, wetlands, prehistoric and historic archaeological sites, unique geological features, or unsafe areas.

### Applicant Certification

By signing this document I agree to the above rules, as well as all of the regulations as described in the document "GEOCACHING REGULATIONS ON MILWAUKEE COUNTY PARKS PROPERTY." ([www.countyparks.com](http://www.countyparks.com))

### Approval & Authorization

Milwaukee County Parks reserves the right to terminate this authorization for placement of a geocache container on Milwaukee County Parks' land for any reason at any time. Milwaukee County Parks agrees to make a reasonable effort to contact the geocache placer prior to termination of this approval to allow the placer to remove the geocache or move it to a new location. If Milwaukee County Parks is unable to contact the geocache owner/placer after a reasonable effort, Milwaukee County Parks' staff may remove the geocache. Milwaukee County Parks takes no responsibility for any vandalism or other damage to a geocache.
